Drivers and crew members can purchase a Unified Motorsports Association (UMA) card for \$40.00. The card can be used for a \$5.00 discount on pit pass purchase at any UMA track. The participating UMA tracks are State Park Speedway and Dells Raceway Park. We encourage drivers to purchase their card through their home track.

The cards can be used an infinite number of times during the 2023 season but are not transferable to others. Anyone using an UMA membership card for a pit pass discount must show a valid ID at the pit gate.

The UMA membership cards are not available to use for a pit pass discount for the ARCA Midwest Tour race July 22nd, 2023, Tundra Race August 13th, 2023, and Creepy Classic Enduro at State Park Speedway. UMA cards are not valid for State Park Speedway practices.

Members will need to check with other participating tracks for a list of events where the membership discount may not be available. If you have questions please email stateparkspeedway@yahoo.com or call Ron Wimmer at 715-571-4434

Please enclose your \$40.00 and mail to:
